V F AMBITION 29th — A good-headed, dark roan, heavy-boned bull that we have been using some in our own herd. He is from the same cow as the Ambition bull we sold to Russel Glantz & Sons, Roberts, Montana; also a full brother went to Texas and two half brothers have been Nebraska State Fair grand champions. His full brother that went to Montana, produced a reserve champion at the Montana State Show and Sale. Every calf that Ransom's Mistletoe has produced has been very outstanding. Here will be one of your last opportunities to buy an outstanding son of the Nebraska State Fair grand champion, Braemor Ambition.

## HERE'S ONE OF THE BEST BALANCED OFFERINGS OF SHORTHORNS AND POLLED SHORTHORNS EVER MADE IN THE STATE OF NEBRASKA

There's been a need for a sale like this in Nebraska for a long time. A well-balanced sale of strong aged Shorthorn bulls and Polled Shorthorn bulls. A well-balanced offering of Shorthorn and Polled Shorthorn females, females ready to make a profit, females that can serve as foundation individuals for new herds, females that can strengthen old, established herds.

There will be 51 Shorthorn cows, all of good ages, including 21 first calf heifers, all half sisters and most of them will have calves at foot by sale date. There will be 10 cows, right up to calving to the services of the bull that sired the purple ribbon Shorthorn steer at the last fall's Ak-Sar-Ben Livestock Show in Omaha. There will be 5 Polled Shorthorn heifer calves, daughters of a Futurity champion bull, outstanding prospects for next year's junior shows. There will be females carrying the services of a Nebraska State Fair grand champion bull. There will be opportunities in this sale that buyers have never had before in a Nebraska State Sale. REMEMBER, the sale starts promptly at 12 o'clock noon, females sell first with the bulls selling at 1:30 p.m. Come early, inspect the offering, the females will be grouped and sold individually, as well as in uniform lots to suit the buyer.

WILL-A-DELL ROTHES -- by Fair Acres Rotheres, imported in dam, and his mother, Princess Royal, was the grand champion female at the Tri-State Sale at Sibley and was sired by the \$5,000 Baldowrie Watchman. We offer these next 21 heifers and they are the entire crop of heifers of this age, none have been reserved. They will start calving about the middle of February to the services of Will-A-Dell Rotheres and will all have calves at foot by sale day or shortly thereafter. They are not high fleshed, but in just good, thrifty condition. They were raised in pasture this summer, with mostly hay and silage this winter, with just enough grain to keep them growing. All calves have been vaccinated for Bangs and T.B. tested.

## The Forecast Is . . . . BEEF

The production of beef with more pasture, more roughage and less grain, appears to be the plan of the successful farmer and stockman in the future. That's where good Shorthorns and Polled Shorthorns fit into the picture. These big-framed, sturdy, easy fleshing, beef cattle fill the bill on mid-west farms and ranches. Raise them straight, or use them for cross-breeding. You want heavier calf crops at weaning time, heavier yearlings to go in the feed lot, then see that your next calf crop is sired by a Shorthorn or Polled Shorthorn bull.

Every bull selling in this sale has been halter broke. Every animal selling is fully guaranteed and is healthy.
